

# Studio Tour AND ARTS SALE

## Begin or Add to Your Collection of Fine Regional Art and Craft

The Studio Tour showcases the work of artists who live, work and create in Oldham County. Each studio will feature works of these artists, demonstrations, refreshments and exciting new work. Your personal tour of the artists' studios is self-directed using numbered map spots as your guide. Studio Tour Signs will be posted at every studio as well as along the county roads.

Studios are open free of charge to the public.

Your tour of the artists' studio is self-guided, using this map to locate your favorite studios. Each studio is identified by a **red** palette. Enjoy your visit with the artists of Oldham County and Friends of the Tour.
